Youth Services Summer Reading Program**
June 1— July 30

Materials to register for this year’s Summer Reading Program “Devour a Book” are available on the tables in the youth department. Readers keep track of the time spent reading by coloring in a box on their reading log for every 15 minutes that they read, are read to, or that they read to anyone else. Readers record one title read for each five hours turned in.
If you read more than one picture book in that time, you can choose your favorite.
If you are reading chapter books, it is okay to put the same title down several times.
Prize bag incentives are given out at five hour marks by age group.
