For a personal visit with Santa, please sign-up for one Santa session (6:30, 7, 7:30, or 8 pm) using our online Calendar reservation system or by calling the Library. There is a limited number of spots in each Santa session, so register early and reserve a spot for each child who wants to tell Santa their list.

Registration is required to visit Santa. The elves need to know how many presents to bring!

Library Gifts

With the holidays quickly approaching, please make the Library one of your “shopping spots.” The Library has great gifts waiting for you to discover and most importantly, these free services help stretch your budget! The early literacy stations give the gift of literacy to our youngest patrons, while MyMediaMall offers eBooks for your favorite reading device. Freegal music service has everyone singing joyfully to their favorite tunes, while the new AV shelving makes discovering a holiday movie a piece of cake. Access to World Book online 24/7 means no reference books to return ASAP, so only the elves need to stay up past midnight. We hope you enjoy these gifts and look forward to another great year of library service.
