## IT'S SHOWTIME AT YOUR LIBRARY!

## It's Showtime All Year at the Library!

Great things are happening at the Library this year. This summer we have outstanding library programs, exciting reading prizes, and fascinating library material for a summer of fun. This fall brings tremendous changes as our Library Building and Service Transformation Project begins. This project incorporates necessary replacement of many original 1981 physical facility systems and includes building ideas and service improvements based on patron surveys and community input.

We plan to be open during this phased project, and like any project, we may need the occasional closing as work is done on necessary operational components (for example, water or electrical service). As more details about the project unfold, we'll have updates and information available on our website at [www.wooddalelibrary.org](http://www.wooddalelibrary.org). Please know, despite challenges with a phased project, the staff will be ready to welcome you as you walk through our doors.

## Free Lunch

This summer the Library is partnering with the Northern Illinois Food Bank to provide free lunches for children ages 18 and under. Lunch is served from noon to 1 pm, Monday – Friday, Monday, June 10 through Friday, August 9. The Wood Dale Public Library District – where we feed minds and tummies, too!
