Make No Small Plans: A Celebration of Chicago

Open House Chicago is sponsored yearly by the Chicago Architectural Foundation. Over the course of one weekend each October, over 250 architectural landmarks open their doors for visitors to see the interiors of these magnificent buildings.

This year, the Wood Dale Public Library is offering a day-long guided excursion into the city to attend Open House Chicago. In addition, the library is offering three very special programs devoted to Chicago history – one, a macabre, difficult story of Chicago's notorious serial killer, H.H. Holmes; one, a fascinating look at the iconic Marshall Field's building and its role in the development of Chicago; and one program devoted to the Fabulous Fountains of Chicago. In October, each of the book clubs is reading a book in which the setting of Chicago looms large. Join in one of the discussions or just read along for fun. The options to celebrate our beautiful city with the library this October are endless!
