## Imagine Your Story

### Summer Reading Program \* June 1–August 31

**Imagine Your Story** is this year's summer reading theme. Through reading, we can explore, discover, and experience people, places, and things that we would not normally encounter. This summer, the library once again hosts a range of free activities for children, teens, and adults that encourage and support a love of reading. Make sure to register so you can attend the great classes we have outlined in this newsletter.

You can also win prizes for reaching your reading goals by registering for our summer reading program online at [www.wooddalelibrary.org](http://www.wooddalelibrary.org). Kids, begin counting your minutes. Grownups, track the titles of library materials or the programs you attend. Teens can choose to participate in the youth or adult program. The entire family can earn fabulous prizes as you learn together this summer with the Library. In addition, we need teen volunteers with an interest in helping with programs. This is a great opportunity to earn volunteer hours for school, church, and giving back to the community. Stop in or sign-up online.

### Free Lunch

This summer the Library is partnering with the Northern Illinois Food Bank to provide free lunches for children ages 18 and under. Lunch is served from noon-1 pm, Monday–Friday, Monday, June 8 through Friday, August 14. The Wood Dale Public Library District—where we feed minds and tummies, too!

## Follow Us!

Follow us on social media to see upcoming programs, library updates, and fun photos taken during community events. Follow links to sign up for programs.
